

A CHANCE TO TRY MICROSOFT TEAMS ROOMS

Learn first-hand how this best-in-class technology is changing the way organizations communicate and collaborate.

Increase Employee
Productivity

Reduce IT
Headaches

Support Hybrid
Work Flexibility

Microsoft Teams Rooms (MTR) technology effectively brings your whole team together – whether they're working on-site, at home, or on the road.

UnifiedCommunications.com believes so strongly in the power of this technology to improve your meeting experience; we have a Try & Buy offer for a full 60-days, with an on-site trial and no obligation to buy.

In fact, UnifiedCommunications.com is so invested in your ultimate success with Microsoft Teams Rooms; we'll also provide remote deployment, integration with your existing technology, and user training to optimize this trial opportunity.

Your 60-day MTR trial will include:

Equipment

Remote
Deployment

Integration

Training

MTR trial customer responsibilities/ requirements:

- ❑ Sign our UnifiedCommunications.com 60-day Try & Buy agreement
- ❑ Participate in weekly cadence calls to understand and experience all the benefits of MTR technology
- ❑ Provide Teams Rooms Licensing - Standard or Premium (recommended) - via purchase or Microsoft trial offer
- ❑ Purchase or return all MTR equipment within 60 days of trial initiation
